

AP Achiever (Advanced Placement Test Preparation Guide) By William D. Strickland

MHID: 0077243005

ISBN: 9780077243005

The guide works together with the core text *Traditions and Encounters* to provide your students with:

- An introduction to the World History Advanced Placement Course and Exam.
- Each chapter includes a "Before you Begin" section that discusses the key points in the chapter for the AP Exam, detailed chapter reviews, and a "Now That You Have Finished" section that checks for chapter comprehension.
- Two levels of multiple-choice questions and Document-based questions are also included in each chapter. "Change/Continuity over Time" and "Comparative" essay questions are included in appropriate sections.
- The Essays section provides model essays as well as ideas about how to approach, plan and organize each essay. A thorough analysis of the Comparative essay, Change/Continuity Over Time essay, and the Document-based Question essay is also provided.

Two complete practice exams parallel the Advanced Placement World History. Each practice exam includes answers, thorough explanations and sample essays.
